NEMA TS2 Type 2 Two Phase Pole Mount Cabinet

Novax Traffic Control Cabinets are well-known for durability, ruggedness, compatibility and workmanship. Available in a variety of sizes, Novax cabinets can be supplied with custom finishes that enhance the urban landscape.

Adding to its extensive line of Traffic Control Cabinets Novax has introduced a line of TS2 Type 2 cabinets to meet your cabinet needs.

Novax can configure almost any cabinet with all the necessary equipment for a particular location, minimizing procurement and implementation complications. Whether you need a single replacement cabinet or a complete overhaul for an entire municipality, Novax has the experience and expertise to handle all your traffic cabinet requirements.
