

TRAFFIC CONTROL CABINETS

Type F Cabinet

Novax Traffic Control Cabinets are well-known for durability, ruggedness, compatibility and workmanship. Available in a variety of sizes, Novax cabinets can be supplied with custom finishes that enhance the urban landscape. The "ORCA" finish shown is one of several custom finish options.

Novax can configure any cabinet with all the necessary equipment for a particular location, minimizing procurement and implementation complications. Whether you need a single replacement cabinet or a complete overhaul for an entire municipality, Novax has the experience and expertise to handle all your traffic cabinet requirements.
